

2018 Mortuary Science Continuing Education Seminars

February 17th, March 3rd & March 17th, 2018

Attention: FUNERAL SERVICE LICENSEES / MORTUARY TRANSPORTERS

The Anatomical Services Division, UMB School of Medicine, is offering Continuing Education Seminars. The CEU programs are approved by the Maryland State Board of Mortician & Funeral Directors. The License Renewal Period is only months away and each licensee is required to have 12 credit hours of approved continuing education. This may be your last opportunity to fulfill the board requirement for license renewal.

Doors open 7:00 a.m. Seminars start promptly at 8 a.m.

IMPORTANT: Renewals due April 30, 2018

Saturdays: See dates and times below.

Brooke's House ~ <http://brookeshouse.org/>

The mission of **Brooke's House** is to *inspire and empower women suffering from the disease of addiction by providing them a safe, stable, and emotionally supportive living environment while in the early stages of recovery.* **Brooke's House, Inc. is a public charity organization operating under its own IRS 501(c)3 non-profit status.** From dependence to independence, the path of recovery will begin at Brooke's House. When built, Brooke's House will offer a transitional sober living home for adult women in the early stages of substance abuse recovery in Washington County, Maryland. Groundbreaking – May 1, 2018. ***Please consider making a tax-free donation before you leave.***

TOTAL CEU'S FOR THE SEMINARS: 12 Credit Hours

****There may be by necessity some changes in the scheduled presentations.***

The organizers of the mortuary science seminar series would like to acknowledge and express our appreciation to the following supporters: The Maryland State Board of Morticians and Funeral Directors, Maryland Public Health Services, The Maryland Department of Veteran Affairs; Archdiocese of Baltimore; UMMS Chaplains Office, Living Legacy Inc.. All the previous presenters, who over the years have donated their time and energy to advance professional education in mortuary science, we thank you.
